

PROGRAMME**Participant Registration [Link](#)**

This free regional event, part of Advance HE's benefits for leadership, management and governance member institutions, is part of a series of network meetings bringing together those leading change in higher education primarily from the south-east and eastern regions of England.

It will offer an opportunity to hear from senior leaders who have led change in higher education and will explore thought leadership on organisational change.

Outcomes

By the end of the event, delegates will have:

- Heard senior leaders' experiences of change and their learning points from these
- Engaged with and discussed change issues faced by their own and other institutions
- Explored thought leadership on leading change
- Had an opportunity for discussion and networking
