# About our virtual conferencing platform

The virtual NET21 Conference will be hosted within a fully virtual conferencing platform that will allow delegates to enjoy the following:

- Live auditorium shows for keynotes, themed sessions and symposia;
- A networking area where you can chat to colleagues or join themed discussions;
- A virtual poster exhibition with live chat facilities so that you can engage with the presenters;
- An exhibition area with virtual stands for our sponsors;
- Access to all recordings for 30 days after the conference;
- A resources area for the latest publications;
- A personal profile page to add details about yourself, set your own agenda or collect resources in your virtual goodie bag;
- Virtual rooms for more social gatherings.

## Conference themes

Educational enhancement  
Key challenges in healthcare education  
Student experience, engagement and achievement  
Learning, teaching and assessment strategies  
Education in a global pandemic

## Abstracts

Whether an experienced conference presenter or taking that first step towards speaking in front of an audience, we would like to hear about your research projects and new initiatives in healthcare education. Abstract submissions can be for any of the following types of presentation:

- Theme papers
- Poster presentations
- Poster+ presentations
- Symposia

## Delegates' views

*Very motivating and thought provoking*  
*An ever expanding breadth of work on display*  
*Excellent networking opportunities*  
*Contained stimulating content*

## Ethos

NET provides a unique opportunity for delegates to engage with the latest world-wide research evidence, developments and thinking with educators, practitioners and students. Papers are arranged in themed sessions where delegates participate in in-depth discussion and debate on a topic, facilitated by skilled convenors.
