Once you have settled the invoice for your application please return to the Fellowship area.

- The status of your application has now changed to “Fellowship - Applicant”.

Your application will now progress to be allocated to a review panel. Processing time from payment to result is approximately 12 weeks.

Please see Section 8 for post-review steps.
7.2 Payment Option 2: My institution is paying

If you selected “My organisation is paying”, you should follow the guidance below:

7.2.1 Payment by credit/debit card.

If your organisation is able to pay by this method it is the quickest and easiest option. You will need to send the link to your institution to pay the fee on your behalf. The status of the application will change to “Submitted (Awaiting Payment)”.

- Click on the “Copy Payment Link” button.

- A notification will appear at the bottom right of the screen to confirm the payment link has been copied to your clipboard.

- Paste your link (right-click and Paste) into an email and send to the individual at your organisation who will make the payment on your behalf.

- Once they click the link they will be taken through two short steps in our secure payment portal to confirm their email (in order to send a copy of the invoice) and the payment details.

- As soon as payment is received, the status of your application will change to “Applicant” and we will progress it to be allocated to a review panel. It is important to note that until that happens, the application will not be reviewed. Processing time from payment to result is approximately 12 weeks.

7.2.2 Payment by Purchase Order/Invoice.

If your organisation cannot pay by credit/debit card they will need to provide you with a Purchase Order (PO) in an electronic format to upload to your My Advance HE account.

- To upload the PO, navigate to My Profile > Invoices > Unpaid Invoices and click the “Upload Purchase Order” button.
Once you have uploaded your PO our finance team will do some checks and issue an invoice to your organisation for them to pay via bank transfer. Once the invoice has been sent your application status will change to “Applicant” and we will progress it to be allocated to a review panel. Our processing time from that point to your result is approximately 12 weeks.

Please see Section 8 for post-review steps.

7.3 Payment Option 3: My institution has paid in advance

If you selected “My organisation has paid in advance” you will not be prompted to pay an invoice. The status of the application will change to “Submitted- Awaiting Payment”.

Once we have verified that your application is eligible for an institutional pre-paid scheme, the status will change to “Applicant” and your application will be allocated to a review panel.

It is important to note that until our checks are completed, the status of your application will not change. If we find that you are not part of the pre-payment contract we have with your organisation we will inform you of this by email and you will need to make payment yourself or arrange for your organisation to pay.

Please see Section 8 for post-review steps.
8. Section 8: Confirmation of decision outcome

Following the review of your application, you will be notified of the panel’s decision by email, which will include instructions on next steps.
